ABOUT THIS MEETING

The purpose of the annual meeting of the Ophthalmic Anesthesia Society is to educate its members, as well as other interested healthcare professionals, and share information that will enable them to provide the highest level of anesthesia services during ophthalmic surgery.

WHO SHOULD ATTEND?

Anesthesiologists • Ophthalmologists • CRNAs
RNs • Ophthalmic Medical Professionals

ACCREDITATION

Nurse Anesthetist

Approved by the American Association of Nurse Anesthetists for 16 CE Credits:
Code Number 33036, expiration date September 26, 2010.

Physician

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Cleveland Clinic Foundation Center for Continuing Education and the Ophthalmic Anesthesia Society. The Cleveland Clinic Foundation Center for Continuing Education is accredited by the ACCME to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this educational activity for a maximum of 16.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council on Continuing Medical Education for Category 2 credit.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

SPECIAL NEEDS

The Cleveland Clinic Foundation Center for Continuing Education and the Ophthalmic Anesthesia Society fully comply with the legal requirements of the ADA and the rules and regulations thereof. If any participant of the 24th Annual Scientific

Meeting of the Ophthalmic Anesthesia Society is in need of accommodation, please notify Karen Morgan (805 534 0300 or Info@EyeAnesthesia.org) in order to receive service.

CALL FOR ABSTRACTS

Abstracts for Poster Presentations will be accepted until August 15, 2010. Abstracts will be reviewed by the Program Co-Chairs; authors will be notified of their decision by September 1, 2010. For more information, please contact Info@EyeAnesthesia.org.

CALL FOR CASE DISCUSSIONS

Include your difficult cases in our annual Sunday morning Case Discussion chaired by Dr. Marc Feldman. Please email a summary of cases which have presented your team with decision-making challenges when patient or OR safety was in question. Send all cases to the Administrative Office via email (Info@EyeAnesthesia.org) by August 15, 2010.

CONFERENCE OBJECTIVES

Upon completion of this activity, participants will be able to:

- Identify the latest anesthesia techniques for ophthalmic surgery
- Review pertinent historical and anatomical information
- Evaluate different anesthesia techniques to determine which, if any, might warrant a change in current practice
- Generate an increased or a sustained interest in developing knowledge, acquiring skills, and continuing education in this area

CONTACT

If you have any questions or would like further information about the OAS meeting or organization, please contact OAS:

793-A East Foothill Boulevard, PMB 119
San Luis Obispo, CA 93405 USA
